

PREVAL KIT INSTRUCTIONS

IMPORTANT:

Please read through the instructions carefully before using this product

Supplies Included

- Preval Spray System (Glass Jar, Stem, & Aerosol Power Unit)
- Reducer (1oz)

Use **Preval** kit in conjunction with **Bathworks® Premium, Standard, & Sink Kits** to easily spray paint to create a beautifully smooth finish to put on the final touches to your refinishing project!

Safety

Liquid products found within this kit are **solvent-borne** and are **highly flammable**. Care should be taken to avoid the inhalation of spray mist or vapors, as well as contact between the wet paint and exposed skin or eyes. Always keep work areas well ventilated and wear personal protective equipment - **respirator, eyewear, & gloves**. Keep away from flame, children, animals, and individuals sensitive to fumes. Always ensure nearby surfaces are covered and protected. Cleaning solvent for this paint is **Xylene** or a similar substitute. In the event of spills, ensure that Xylene is appropriate and safe to use on intended surfaces as there's a risk of serious and permanent damage to surfaces such as linoleum, plastics, wood and anything previously painted. See additional safety notes at the end of this document.

Directions

STEP 1: Clear the area of all personal items. Make sure the work area has positive air flow in addition to adequate ventilation at all times.

STEP 2: Ensure that the desired surface has been sanded and cleared of all debris.

STEP 3: Pour desired amount of Part A: Paint, Part B: Hardener, and included **Reducer** into **Glass Jar**.

NOTE: *Mixing ratio is **3 Parts** Part A: Paint to **1 Part** Part B: Hardener to **1 Part** Reducer. (**3:1:1**)*

STEP 4: Replace the cap and mix thoroughly.

STEP 5: Attach **Stem** to the base of the **Power Unit**. Next, remove the cap from the glass jar. Then, attach the assembly to the glass jar.

NOTE: *Test spray pattern before starting on intended surface. Add more reducer if a finer spray is needed. Inspect power unit for additional instructions if needed.*

LIMITED WARRANTY

Tub Refinishing, Inc. DBA Munro Products as follows; this warranty is in lieu of all other written or unwritten, expressed, or implied warranties, and Tub Refinishing, Inc. DBA Munro Products expressly disclaims any warranty of merchantability or fitness for a particular purpose. The buyer assumes all risks whatsoever as to the use of the material. Keep away from children, animals, or persons that are sensitive to paint or fumes. Fumes can be harmful to humans and animals, and can also be flammable.

SAFETY

A protective respirator should be worn if available. Use product with adequate ventilation. Always use rubber gloves. Tub Refinishing, Inc. DBA Munro Products is not responsible for accidents or misuse of these products or parts and materials of this kit. Safety is in the hands of the user. Keep all refinishing kit materials and tools away from children, animals, and individuals sensitive to paint or fumes. Some items in this kit are flammable and should be disposed of properly in accordance to local state, city, & town codes regulating used paint products. Use all paint products with caution. **DO NOT** dispose of paint or clean tools by using water and flushing down household drains - these are solvent-borne products and may potentially damage pipes & the environment. Use **Xylene** or comparable cleaner for cleaning tools & spills. If you are unsure about the use or safety of this product, please return the unopened and unused kits to the supplier. All returned goods are at the purchaser's cost. Opened or used materials will be refused for credit. See all **Safety Data Sheets** (SDS) which are available via our website: **bath-works.net**

SUITABILITY FOR USE

The user is responsible for establishing that these products are suitable for the user's application and that all requirements for meeting approvals, standards, codes, disposal, use, and regulations of any kind are satisfied. Distributor denies any responsibility for establishing suitability of use; where, when, and how the materials from this kit are used. Read all information and instruction before use of this product. Use caution.
