- Sandpaper
- Instructions

Small Touch-Up Kit

Step 1: Sand smooth the desired area thoroughly using water and the provided **sandpaper**.

Step 2: Wipe areas clean with the provided **alcohol wipe**.

Step 3: Shake **repair paint** before use. Remove cap and dip **applicator brush** into paint container. Apply paint to surface. Lightly feather edges. Replace cap after use. Clean applicator brush with Xylene or similar cleaning agent.

NOTE: Any unused product may be saved for later use. Must dry **24 hours** before use.

Large Touch-Up Kit

Step 1: Sand smooth the desired area thoroughly using water and the provided **sandpaper**

Step 2: Wipe areas clean with a paper towel. Empty enough content from the **liquid primer** container into a new paper towel and apply to area.

Step 3: Pour **Part B: Hardener** into **Part A: Paint** in a **1:4** ratio. Using the **stir stick** provided, mix thoroughly for about **3 minutes**. Using the provided **foam brush**, dip into paint mixture and apply to surface. Lightly feather edges.

NOTE: After mixing, you will have about **3 hours** to apply this product before it becomes unusable. Any unmixed product may be saved for later use. Must dry **24 hours** before use.

LIMITED WARRANTY

Tub Refinishing, Inc. DBA Munro Products as follows; this warranty is in lieu of all other written or unwritten, expressed, or implied warranties, and Tub Refinishing, Inc. DBA Munro Products expressly disclaims any warranty of merchantability or fitness for a particular purpose. The buyer assumes all risks whatsoever as to the use of the material. Keep away from children, animals, or persons that are sensitive to paint or fumes. Fumes can be harmful to humans and animals, and can also be flammable.

SAFETY

A protective respirator should be worn if available. Use product with adequate ventilation. Always use rubber gloves. Tub Refinishing, Inc. DBA Munro Products is not responsible for accidents or misuse of these products or parts and materials of this kit. Safety is in the hands of the user. Keep all refinishing kit materials and tools away from children, animals, and individuals sensitive to paint or fumes. Some items in this kit are flammable and should be disposed of properly in accordance to local state, city, & town codes regulating used paint products. Use all paint products with caution. **DO NOT** dispose of paint or clean tools by using water and flushing down household drains - these are solvent-borne products and may potentially damage pipes & the environment. Use **Xylene** or comparable cleaner for cleaning tools & spills. Xylene is capable of permanently damaging surfaces such as linoleum, plastic, wood, and previously painted surfaces. Never use xylene on skin and use gloves & eyewear while using. If you are unsure about the use or safety of this product, please return the unopened and unused kits to the supplier. All returned goods are at the purchaser's cost. Opened or used materials will be refused for credit.

See all **Safety Data Sheets** (SDS) which are available via our website: **bath-works.net**

SUITABILITY FOR USE

The user is responsible for establishing that these products are suitable for the user's application and that all requirements for meeting approvals, standards, codes, disposal, use, and regulations of any kind are satisfied. Distributor denies any responsibility for establishing suitability of use; where, when, and how the materials from this kit are used. Read all information and instruction before use of this product. Use caution.
