

EZ Etch Kit - Instruction Manual

Limited Warranty: Tub Refinishing, Inc. DBA Munro Products or Munro Bath Systems as follows; this warranty is in lieu of all other written or unwritten, expressed or implied warranties, and Tub Refinishing, Inc. DBA Munro Products or Munro Bath Systems expressly disclaims any warranty of merchantability or fitness for a particular purpose. The buyer assumes all risks whatsoever as to the use of the material. Keep away from children, animals, or persons that are sensitive to paint or fumes. Fumes can be harmful to humans and animals, and can also be flammable.

Safety: A protective respirator can be worn if available. Use product with adequate ventilation. Always use rubber gloves.

Tub Refinishing, Inc., DBA Munro Products or Munro Bath Systems, is not responsible for accidents or misuse of these products or parts and materials of this kit. Safety is in the hands of the user. If you are unsure about the use or safety of this product please return the unopened and unused kits to the supplier. Do not return goods without receiving a Return Materials Authorization (RMA) number from Munro Products. All returned goods are at the purchasers cost. Opened or used materials will be refused for credit. See all MSDS Sheets which are provided and are also available via our websites. <http://www.bathtubrefinishingkit.net>

Suitability for use: The user is responsible for establishing that these products are suitable for the user's application and that all requirements for meeting approvals, standards, codes, disposal, use and regulations of any kind are satisfied. Distributor denies any responsibility for establishing suitability of use; where, when, and how the materials from this kit are used. Read all information and instruction before use of this product. Use Caution!

For Emergency: CHEMTREC® 1-800-424-9300

Tub Refinishing, Inc. DBA Munro Products, Munro Bath Systems, and BathWorks™. BathWorks™ is an exclusive trademark of this company.

Caution: In the following steps proper ventilation, gloves, and eye wear are recommended. Keep all refinishing kit materials and tools away from children, animals, and anyone sensitive to fumes. Some items in the kit are flammable and should be disposed of properly to city or town codes regulating used paint products. Use all paint products with caution!

* **NOTE:** Begin the EZ Etch Kit after Step 3 in the Refinishing Kit Instructions Manual

Step 1: Pour the entire container of EZ Etch into the center of the bathtub. With a sponge spread thoroughly to the entire surface. Let the EZ Etch sit on the desired surface for 20 minutes.

Step 2: Using a sponge or scrubby pad rinse thoroughly.

* **You can now proceed to Step 4 in the BathWorks Refinishing Kit instructions manual.**
